## **STAFF REPORT**

### **1-24-18**

Our call volume for December was up with 40 calls this year vs. 32 last year. Our total call volume for 2017 was up at 447 vs. 402 last year. We used a total of 192.5 gallons of gasoline in December and 74.7 gallons of diesel.

#### **Old Business**

The budgets were posted and advertised in the Farmer last month per law.

The new F-150 pickup came in and was not as ordered. We are getting another unit brought in tomorrow that will meet our needs and will have a few more options that will enable a faster, more profitable sale at the end of its use/life with FD9.

#### **New Business**
