STAFF REPORT

7-18-18

Our call volume for June was down with 27 calls this year vs. 40 last year. Our total call volume is up at 233 vs. 256 year to date. We used a total of 290 gallons of gasoline in July and 8 gallons of diesel.

Old Business

Fire Camp was a great success!

New Business

The free cable installation for station 93 should be happening by next month's meeting. As soon as it is up and running, we can cancel the Dish network and AT&T bills (which total over \$400 monthly) and will more than cover the cost of Charter to this and station 92. Bottom line is, we will have reliable internet for this station which has never been possible before and at a cheaper cost than anticipated!
