STAFF REPORT

7-19-17

Our call volume for June was up with 40 calls this year vs 22 last. Our total call volume year to date is up at 256 vs 233 last year. We used a total of 412 gallons of gasoline in June and 28 gallons of diesel.

Old Business

Firefighter in training Austin McClain is 10 weeks into his rookie school training at LSU FETI (Baton Rouge). He's doing very well according to the training chief at LSU and as witnessed by Mike Accardo and myself after our visit there this week. He has completed and passed the first two certifications, (Haz-Mat Awareness and Haz-Mat Operations), he is doing vehicle extrication all this week and will take his final Firefighter 1 and 2 certification tests next week. The last two weeks will be Driver/Operator classes and certification test. He also had a social media post made about him and two other rookies by a random stranger yesterday, they ran across a lady trying to carry out a bunch of bunk bed stuff and they wound up carrying it and securing it to the top of her car. It has been shared a lot of times and just goes to the type of character that Austin has. He will graduate on August 11th at 9:00 am.

New Business

Mr. Leo Capponi's term as the boards representative to the civil service board ends in September and we need to renew him as our appointee (or replace). It is my recommendation that we renew his tenure as the boards' representative on the Civil Service board.
