STAFF REPORT

8-19-20

Our call volume for July was down with 25 calls this year compared to 38 last year. Our total call volume for 2020 is up at 256 vs. 231 last year. We used a total of 234 gallons of gasoline in June and 64 gallons of diesel. We still have 15 positive Covid-19 cases in our fire district. We have run zero calls that were assumed to be Covid-19 positive since May.

Old Business

The paperwork has been filed with the Assessor's office and they have forwarded it to the state.

New Business

Hurricane preparations are underway. We are going to be ready no matter what comes our way.

We have a new part time employee who has been hired to help keep our manpower up to where it should be. Michael Guillott is a paramedic and captain with FD3 (Lacombe) and is already helping out.
