## **STAFF REPORT**

### **8-22-18**

Our call volume for July was down with 24 calls this year vs. 44 last year. Our total call volume is down at 270 vs. 292 year to date. We used a total of 222 gallons of gasoline in June and 30 gallons of diesel.

#### **Old Business**

Grant Schlueter has been contacted about filing the paperwork for our proposed parcel fee request of the public at the March 30<sup>th</sup> election. We've met with Richard Tanner and several others in our community and the response has been positive so far. We have a public information sheet that explains the need for the funds and how the revenue would be collected and spent. It will be posted on our website and Facebook page if you approve. The board should vote on holding a parcel fee election on March 30, 2019 at the September 19<sup>th</sup> meeting. Grant Schlueter will be at the September meeting to address the board and answer any questions anyone may have.

#### **New Business**

We have completed our first rookie school with a 100% passing rate, Steven Tyler Blackwell became our newest fulltime employee last Thursday, (August 16, 2018), and was sworn in tonight. We are very proud of the work he has put in to graduate and to the members here who orchestrated his training, especially Mike Accardo. Kudos to all involved. Steven will be assigned to station 94 in Sun upon the completion of his "on-the-job" training phase of his program.
