### **6-20-18**

Our call volume for May was down with 33 calls this year vs. 38 last year. Our total call volume is up at 205 vs. 204 year to date. We used a total of 294 gallons of gasoline in May and 28 gallons of diesel.

#### **Old Business**

Fire Camp is this week.

#### **New Business**

The renewal for the next years LWCC bill came in at a significantly lower price than last year, about \$6800 less than before!

We have one offer on the 2003 van that was surplus last month for \$2000.

CBT has sent the paperwork for your signatures tonight, please sign all the documents tonight so we can proceed with being able to sign checks in the future.

The budget has been updated to reflect the current numbers and trends available. We currently show a potential shortfall of \$23,600 even after the additional purchases we have made this year (of over \$45,000). If possible, I'd like to ask the board to vote on the updated budget for the year tonight.
